Approval No. 807-04-02

Dear Mr. Kulkarni:

Under the provisions of Section 107.807, Title 49 Code of Federal Regulations (49 CFR), based upon an application dated December 7, 2002 and the United States Department of Transportation inspection conducted at the Inox facility in March 2004, Inox India Ltd. is hereby issued **Approval Number 807-04-02**. This approval authorizes the manufacture of DOT Specification 39 cylinders at the Inox facility at Nr. Narmada Colony, Katol, Boru Road, Kalol, Dist. Panchmahal, Pin.: 389330, Gujarat, India under the supervision of an independent inspection agency approved for that purpose in accordance with Section 107.803 of 49 CFR.

SPECIAL CONDITIONS:

1. The registration number **M-0402** must be marked on all DOT cylinders which Inox India Ltd. manufactures under this approval.
2. The Inox India factory may mark to DOT39 only those cylinders it manufactures in accordance with this approval and the applicable specification requirements.
3. In addition to the cylinder test reports submitted to persons stated in 49 CFR Sections 178.35 and 178.65, a copy of each such report must be submitted to the Approvals Program.
4. If DOT cylinder production has not been undertaken for more than six months, the Approvals Program must be notified prior to resumption of production.

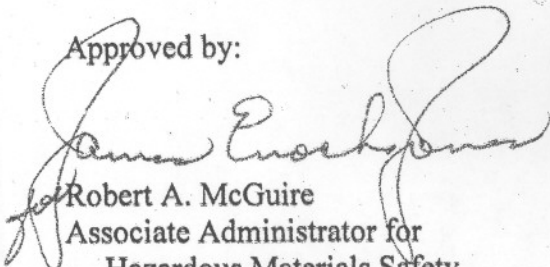

This approval does not relieve Inox India Ltd., or its employees of any obligations imposed by applicable regulations. Violations of this approval or any applicable regulations, or failure to assure adequate independent inspection and verification, may be grounds for approval termination or other enforcement action as provided for in the regulations. Only the issuing authority may authorize variances from the terms of this approval. In the event any information submitted in the application for this approval changes, the Approvals Program must be notified, in writing, within 20 days. Advance notice and written approval by the Approvals Program is required for any substantial change in manufacturing processes or procedures.

Any correspondence concerning this approval may be addressed directly to the Approvals Program and should reference approval number 807-04-02. Copies of an approval issued under Section 107.803 to HSB International (India) Pvt. Ltd. and cylinder specification verification test results from Cylinder Services, Inc. are enclosed for your reference.

Issued in Washington, D.C.
